

Home Examiner Example Test 1

Date: 23th of June, 2020

Time to complete: 5 mins

Brought to you by: Ruurd van Workum

1. How would you rate this product on a scale from 1 to 10?
2. What parts of the code are just for this demo version and what parts should be added in order for schools to integrate this?
3. How much time would you guess this project cost me?
